

## **What is...?**

What is beauty?

Beauty is the freedom of  
A butterfly.

What is freedom?

Freedom is the movement in  
The twinkle of an eye.

What is a twinkle?

A twinkle is what stars do  
Late at night

What is late?

Late is when moms and dads  
Turn out the porch light.

What is a porch?

A porch is where young lovers  
Kiss goodnight.
